COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Examiner's Statement of Reasons for Allowance mentions several elements that are not in the prior art. Applicants wish to note that not all of these elements are required by every claim. For example, while the Statement of Reasons for Allowance mentions "while in the flowchart a path of multiple cells is determined and accordingly highlighted," independent

Claims 1, 65, 72, and 78 recite determining a path and “identifying” (not necessarily “highlighting”) several cells in the path. Further, Claim 82 does not recite the elements of determining a path and identifying several cells in the path and does not use the term “highlighting.”
